President C. B. Cutten,

Rehabilitation Department,

Halifax, N.S.

Dear Dr. Cutten:

I have been making inquiries from our Department of English as to the possibility of securing a Professor of English for Acadia, but am sorry to say that I cannot find trace of any one who would meet your needs. At present there is a great dearth of candidates for teaching positions, and I am afraid that as salaries go you would find it very difficult to secure a person of standing in Toronto who would be willing to accept $1700. Of course a young man just beginning might go but I regret that we have none such available.

Yours sincerely,

President.
